30 NOVEMBER 2020

## MUNICIPALITY: PREPAID METERS UPGRADE

Dear Resident

Please see request from the Mossel Bay Municipality below:

*The Mossel Bay Municipality needs to upgrade all prepaid meters in the greater Mossel Bay area. The reason for this is that all meters must be upgraded before November 2024 so that new tokens can be generated for the future otherwise if this is not done it will not be possible to purchase electricity.*

*We use a contractor -VERNS UTILITIES (VUT) to do the upgrade for us and I ask that you allow them on the estate so that they can start the upgrade.*

*The planned date is December 1, 2020 it will take about four days to complete the entire estate. I would like to ask that the people who are not available over the days should arrange this so that they can access the houses along with supervision. See attached pamphlet that appeared in the newspapers.*

**Please arrange for access to your property during this time; or arrange another date with the Municipality.  
(Jacobus du Preez: 044 606-5085)**

HOA Board

## MUNISIPALITEIT: VOORAFBETAALDE KRAGMETER OPGRADERINGS

Beste Inwoner

Sien asseblief die versoek vanaf die Mosselbaai Munisipaliteit hieronder:

*Die Mosselbaai Munisipaliteit opgradering moet doen op alle voorafbetaal meters ( prepaid meters ) in die groter Mosselbaai area. Die rede daarvoor is dat alle meters voor November 2024 n opgradering moet kry sodat daar nuwe tokens ge-genereer kan word vir die toekoms anders as dit nie gedoen word nie sal daar nie krag aangekoop kan word nie.*

*Ons maak van n kontrakteur gebruik -VERNS UTILITIES ( VUT ) om die opgradering vir ons te doen en ek vra dat u hulle sal toelaat op die landgoed sodat hulle kan begin met die opgradering.*

*Die beplande datum is 1 Desember 2020 dit sal ongeveer so vier dae duur om die hele landgoed klaar te maak. Ek wil graag vra dat die mense wat nie oor die dae beskikbaar is nie dit moet reël sodat hulle kan toegang kry tot die huise saam met toesig. Sien aangeheg pamphlet wat in die koerante verskyn het.*

**Reël asseblief vir toegang tot u eiendom tydens die tyd; of reël direk met die Munisipaliteit vir 'n ander datum.  
(Jacobus du Preez: 044 606-5085)**

HEV Raad

# NOTICE!

## PREPAID ELECTRICITY CUSTOMERS

As electricity is an essential service, Mossel Bay Municipality has to continue with the prepaid meter updates (Compulsory) for all Mossel Bay Municipal Prepaid Electricity Meters. This service will commence from **14 May 2020** until completed. There is No specific area in which these workers will start working from. These workers will have to enter your homes / Business premises in order to Update the prepaid meters. They do have Identification cards if needed. They will all be equipped with PPE (Personal Protective Equipment). All prepaid meters will be sanitised before and after use. We ask that you work with us in these circumstances and to help us get through this update project as quick and seamless as possible.

Your assistance with the following is required:

**PLEASE INPUT INTO YOUR METER ALL SPARE TOKENS BEFORE THE "KEY CHANGE" PROCEDURE IS PERFORMED.**

**NOTE:** At the date of KEY CHANGE:

- \* Do Not keep any "Spare Tokens"
- \* Once your meter has been "Key Changed" any old token(s) would **NOT** be able to be used.
- \* The credit in your meter on the date of "Key Change" **WILL** be carried over

For further information or enquiries, please contact: **0861 876 227**
