Cats

13 September 2019

Dear Resident,

Complaints have been received that a Siamese cat is walking on the Estate without supervision. It has also been noted that there is a marked decline in birdlife surrounding the sightings.

The Board would like to remind residents regarding the provisions specifically with regards to keeping a cat on the Estate:

1.2.11 Cats must be kept inside owner's house or premises at all times or in an approved cattery. If the cat is outside on the premises it must be under the visual supervision of the owner at all times. No cat will be allowed outside premises on common property.

Kind regards

Beste Inwoner,

Klagtes is ontvang van 'n Siamese kat wat sonder toesig op die Landgoed rondloop. Dit word ook opgemerk dat die voëllewe in die omliggende areas waar die kat opgemerk word, drasties verminder het.

Die Raad wil graag die voorwaardes, spesifiek tot die aanhou van 'n kat op die Landgoed, uitlig:

1.2.11 Cats must be kept inside owner's house or premises at all times or in an approved cattery. If the cat is outside on the premises it must be under the visual supervision of the owner at all times. No cat will be allowed outside premises on common property.

Vriendelike groete
