VUURWERKE STRENG VERBODE / FIREWORKS STRICTLY PROHIBITED

Mossel Bay Municipality would like to advise residents and visitors that the discharge of fireworks from any area (including

your own backyard) is not permitted at any time. Discharging of any firecrackers or emergency flares for celebratory purposes are also prohibited.

Die verordening verbied die afvuur van vuurwerke sonder die skriftelike goedkeuring van die Munisipaliteit. Voorvalle moet by die SAPD aangemeld word en kragtens die Wet op Plofstowwe kan die betrokke persoon vervolgd word.

Die verkoop van vuurwerke is ook onwettig sonder 'n permit wat deur die SAPD aan die handelaar uitgereik is en sluit vuurpyle, vuurwerkfakkels, Chinese papierlanterns en donderbuis in.

We would also like to appeal to residents and visitors not to use so-called 'Chinese Lanterns' as these pose a significant fire risk. The National Sea Rescue Institute (NSRI) also asks people not to use sky lanterns as they float out to sea and are often reported as emergency flares, which in turn cause Sea Rescue hours of fruitless searching.

Mosselbaai Munisipaliteit vra vriendelik die publiek se samewerking in die verband en herinner elkeen daaraan dat die minagting van hierdie Munisipale Verordening strawwe boetes tot gevolg sal hê. Rapporteer asseblief die afvuur van vuurwerke of die verkoop daarvan aan by 044 606 5107.

Please report the setting off of fireworks or the trade of fireworks to 044 606 5107 and remember that the 00:00 to 04:00 curfew period is still effective.
