NEWSFLASH

Cats

27 October 2022

Dear Resident,

Complaints have been received that cats are walking on the Estate without supervision. It has also been noted that there is a marked decline in birdlife surrounding the sightings.

The Board would like to remind residents regarding the provisions specifically with regards to keeping a cat on the Estate:

1.2.11 Cats must be kept inside owner's house or premises at all times or in an approved cattery. If the cat is outside on the premises it must be under the visual supervision of the owner at all times. No cat will be allowed outside premises on common property.

No new cats will be allowed on the Estate from 20 December 2019. Any resident who currently has a cat(s) on the Estate, approved or not, must register their cat(s) at Status Mark before 30 March 2020.

Kind regards
HOA Board

Katte

27 October 2022

Beste Inwoner,

Klagtes is ontvang van katte wat sonder toesig op die Landgoed rondloop. Dit word ook opgemerk dat die voëllewe in die omliggende areas waar die katte opgemerk word, drasties verminder het.

Die Raad wil graag die voorwaardes, spesifiek tot die aanhou van 'n kat op die Landgoed, uitlig:

1.2.11 Cats must be kept inside owner's house or premises at all times or in an approved cattery. If the cat is outside on the premises it must be under the visual supervision of the owner at all times. No cat will be allowed outside premises on common property.

No new cats will be allowed on the Estate from 20 December 2019. Any resident who currently has a cat(s) on the Estate, approved or not, must register their cat(s) at Status Mark before 30 March 2020.

Vriendelike groete
