NEWSFLASH DOGS

13 June 2023

Dear Resident

DOGS

It has been noticed that some owners that are walking their dogs on the estate are not adhering to the rules applicable to pets. They are allowed to run loose, enter the Conservation area and when making a mess, it is not been cleaned up.

Reports of visitors bringing their pets onto the estate have also been received.

Please note that:

- No dog at any time is allowed within the boundary of the Conservation area.
- Dogs outside the premises of the owner must be on a leash at all times and under the control of their owner or handler.
- Dogs are not allowed to mess on any area outside of your own property without cleaning it up. It is suggested that when walking with your dog, a poo bag be taken with to clean up after them.
- Visitors are not allowed to bring any animal onto the estate.

You are requested to familiarize yourself with the rules pertaining to pets as stated in rule nr 1 of the Conduct rules, and follow them.

Your co-operation in this regard will be appreciated.
